DIGITAL WORK READINESS PROGRAMME

Turn your skills into a career in the UK.

Practical, hands-on training in interviews, teamwork, feedback and workplace confidence.

Adult pathway

Return-to-work support for adults, with optional ESOL and RQF Level 6+

Thrive101

Young people aged 16–24 not in education, employment or training, including care leavers and young refugees, with ESOL available

Veterans & spouses

Transition support for veterans and their spouses or partners, including those returning to work after time at home

Digital Work Ready

Refugees and people seeking asylum with digital skills, preparing for work in the UK

LEARN BY DOING

- Mock interviews
- Role play
- Team projects
- Workplace simulations
- Personal action plan

Eligibility: The programme is open to everyone listed above. People seeking asylum are welcome to join to build skills and prepare for work while awaiting a decision on their claim.
