NATIONAL LOTTERY FUNDED | NEWHAM, EAST LONDON

Thrive Forward

Refugee Skills & Wellness Navigator

IGMS
INTEGRATED GLOBAL MENOSPACE SOLUTIONS CIC

A community-led programme for refugees and asylum seekers with permission to work. Build your confidence, find your way into UK work, and look after your wellbeing.

What you get

Skills workshops

Twice a month, in person. Workplace skills, personal branding, CVs and finding a job.

Peer mentoring circles

Meet people who understand. Share problems, build confidence and make connections.

Wellbeing & resilience

Sessions designed with the community to help you stay well in the UK workplace.

Digital Playbook

Learn at your own pace with a free online guide you can keep using.

Endorsed Provider of the lift project

Evidence-Based Wellness Programme

This inclusive programme supports refugees through skills development and wellness initiatives, helping participants build confidence, strengthen capabilities, and pursue opportunities while promoting wellbeing, inclusion, and meaningful participation in their communities.
